More than 800 participated in the June 15 event

MILWAUKEE (JULY 1, 2021) -- Milwaukee Mitchell International Airport's recent job fair, which took place on June 15, resulted in the hiring of more than 100 individuals from Milwaukee County and surrounding areas.

Survey results compiled from employers and job seekers show that:

- 800+ individuals participated
- 300+ applications were received
- 100+ individuals were offered jobs and/or hired

Job seekers were hired by airlines, airport concessionaires, TSA, and other service providers based at the Airport. Many other employers collected applications that they will keep on file for future recruitments.

“It was gratifying to see so many people at the Airport Job Fair. In fact, this was one of the busiest I have attended recently,” Milwaukee County Executive David Crowley said. “It was amazing to see so many individuals looking to get involved in the aviation industry and secure family-supporting jobs.”

The Airport partnered with Milwaukee County Human Resources and the Milwaukee County Office on African-American Affairs to promote the job fair within the community. Free parking vouchers and free Milwaukee County Transit System bus passes were also made available to all job seekers who participated.

“The Airport is part of the fabric of our community,” Airport Director Brian Dranzik said. “It belongs to all of us, and the more we all fly from MKE, the more jobs we will create for our friends, family, and neighbors.”
