ONEJET ADDS SECOND NONSTOP FLIGHT TO PITTSBURGH

MILWAUKEE (June 15, 2017) – Milwaukee County Executive Chris Abele has announced that OneJet will double its nonstop service from Milwaukee County's General Mitchell International Airport to Pittsburgh International Airport beginning June 21, increasing from one to two roundtrips every weekday.

"It's great news for our community that OneJet is expanding its innovative business model by adding a second nonstop flight to Pittsburgh," Milwaukee County Executive Chris Abele said. "This new service gives business travelers the ability to fly to Pittsburgh for a quick meeting and then return to MKE in time for dinner."

Matthew Maguire, One Jet's CEO, added: "Milwaukee has proven to be an excellent market for One Jet service and we're committed to continuing to expand our nonstop service offerings for Milwaukee based travelers. We look forward to working with County Executive Abele and the Milwaukee Airport team to evaluate additional growth throughout 2017."

One Jet's passengers on the routes will enjoy a variety of travel-enhancing benefits, including TSA Pre access for eligible travelers, expedited boarding, complimentary high speed WIFI, and a selection of healthy snacks. Flights will be operated on board the Company's Hawker 400XP aircraft.

Mitchell Airport offers nonstop flights to 40 destinations coast-to-coast, and 160 international destinations are available from Milwaukee with just one connection. MKE is served by Air Canada, Alaska, American, Delta, Frontier, OneJet, Southwest, United, and Volaris. The complete list of nonstop cities can be found at www.mitchellairport.com.

General Mitchell International Airport is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport's capital improvements or for its day-to-day operation.

About OneJet

OneJet is an air transportation network that provides consumers increased access to nonstop travel in small to mid-size markets, at relatively low cost. Services operate from the main commercial terminals and airports in markets served and feature TSA Pre access, expedited boarding, and complimentary on-board amenities, including high speed internet access. All flights are operated by regionally based operating partners featuring ARG/US Platinum Safety-rated and TSA-certified operations. The company incorporates former senior leadership from the U.S. major airlines, the U.S. Department of Transportation, leading U.S. aircraft manufacturers, and TSA.
