## **ONEJET KICKS OFF MAJOR EXPANSION AT MKE**

*New nonstop service to Columbus, OH and Omaha, NE start Wednesday*

**MILWAUKEE (October 31, 2017)** – Milwaukee County Executive Chris Abele has announced the kickoff of OneJet's expanded nonstop service at General Mitchell International Airport (MKE). With the expanded service, OneJet now has twice-daily service to Columbus, Omaha, and Pittsburgh.

"When OneJet started service at MKE two years ago, we knew it was going to be a big success, and we are pleased that OneJet is growing by adding flights, destinations, and employees right here in Milwaukee," County Executive Abele said. "We are very proud to be chosen as the second base of operation for OneJet."

OneJet's new operating base at MKE is expected to add 30-50 jobs within the next six months, including local pilots, mechanics and staff. With the expansion, OneJet now flies a total of 60 nonstop flights to and from the Milwaukee area each week. Tickets can be booked at [www.onejet.com](http://www.onejet.com).

"Today's celebration of new nonstop flights to Columbus and Omaha, along with its existing OneJet service to Pittsburgh, will be a huge hit with travelers looking to access these markets nonstop," added Airport Director Brian Dranzik.

*Mitchell Airport offers nonstop flights to 49 destinations coast-to-coast, and 160 international destinations are available from Milwaukee with just one connection. MKE is served by Air Canada, Alaska, Allegiant, American, Delta, Frontier, OneJet, Southwest, United, and Volaris. The complete list of nonstop cities can be found at [www.mitchellairport.com](http://www.mitchellairport.com).*

*General Mitchell International Airport is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport's capital improvements or for its day-to-day operation.*
